Morning Deputy,

I've just got off the Prov call (HENDON), please refer to the below paragraph in bold

From Ottawa

Police have been alerted to significant purchases of bear spray from downtown Canadian Stores.

Seeing more motorcycle gangs in the downtown core, more specifically the Black Pistons MC have been very visible and vocal.

They are asking truckers to start lessening their footprint in the downtown core to relieve some of the complaints from the downtown residents.

Protestors have located a temporary holding facility that has been established should there be a large number arrests made

Toronto

Apparently bus leaving Toronto today for Ottawa

Niagara

Yesterday protestors tried to restrict traffic getting on the Peace Bridge, protestors are back today trying to stop commercial traffic.

Cornwall

100-150 people showed up at the bridge entry point to Canada.
1 protestor was in possession of bear spray

Intelligence

Social media alerting everyone to something big to happen this morning in the east and west coast.

Protestors trying to frustrate and tire out police resources.

Theft of a transport overnight containing 2400 guns from Peterborough area, was last seen headed eastbound . GPS has been deactivated. PWEU engaged Prov. Bolo sent out
